

## Flights to Doha International Airport (DOH), Qatar

Doha International Airport is fast developing into a prime global airport hub with over 35 international airlines serving key business and leisure cities across the world. Flight Information (24 Hours): +974 4465 6666 New Doha International Airport

Work began in January 2005 on phase one which is scheduled to be completed by 2012 to handle an initial capacity of 24 million passengers a year, more than doubling to around 50 million by the time the airport is fully operational beyond 2015.

Combining both architectural panache and technologically advanced systems, the 2,200-hectare airport site reclaimed half of its land from the Arabian Gulf. Forecasted for maximum development from 2015 onwards, the US\$14.5 billion project will be implemented in phases.

The New Doha International Airport will incorporate a total of 80 contact gates, including 25,000 square metres devoted to retail space, comfortable lounges, and multi-story short-term and long-term parking facilities.
